

Suzanne's Peppermint Bark

Merkins™ melting chocolate wafers

Crushed candy canes

1. Place the chocolate wafers into a double-boiler, melt down then mix in the crushed candy canes.
2. Pour onto a flat tray with wax paper on it. It doesn't matter how thick or thin the chocolate is, that's up to you!
3. Cool the tray in the fridge. Once hard, break into pieces and serve.

Serves a whole Bunch.
